

BIOGEN COMMUNITY LAB

Adventures in Biotechnology

At Biogen's *Adventures in Biotechnology* you will conduct a hands-on lab project, meet and interact with scientists and biotech professionals, and get an inside view of a biotech company! You will learn about the drug development process while also performing and learning a series of biotech lab techniques. Each day will focus on lab work. You will work with DNA, proteins, and bacteria to make and purify green fluorescent protein!

Open to high school students currently in 9th - 12th grade.

RTP, NC SESSIONS:

Session I: July 9 - 13

Session II: August 6 - 10

Each session meets daily from 9 A.M. to 4 P.M., but only until 1 P.M. on Friday.

COST IS FREE. Lunch is provided.

On-line applications open on February 26th and close on March 12th.

Applications can be found at:
